The housing rates listed are per student as assigned to a room, suite or apartment. Students contract with Housing & Dining for a full academic year (both fall and spring semesters). In accordance with South Carolina law, "Fees applicable to housing rental...shall be sufficient to cover the costs of providing such facilities and services." Accordingly, rates may be adjusted to satisfy this requirement.

University Dining

All new, incoming students are required to purchase one of the three meal plans that meet the first-year requirement.

New, incoming students assigned to one of the apartment communities are exempt from the first-year requirement.

Apartment communities include: Calhoun Courts, Thornhill Village, Lightsey Bridge I or II.

One of the block meal plans is strongly encouraged for students residing in apartment communities.
