University Housing Policies and Regulations

1. Eligibility for Residency.
Any enrolled student is eligible to live in University Housing under the provisions of this contract, provided that space is available as determined by the needs of the Housing Office. Non-students may also be housed under the provisions of this contract as needed and deemed appropriate by the Housing Office.

All freshmen who are under the age of 21 at the time of enrollment who do not live with parent/guardian(s) [within a 50-mile radius of campus] are required to live in University Housing for the fall and spring semesters.

For the purpose of this agreement, transfer students are not considered freshmen. Transfer students are housed on a space available basis. Students admitted under the admissions code
"Special Student" are not considered freshman.

2. Right of the University to Refuse Housing and to Modify or Cancel Contract.
   (a) The University reserves the right to revise the terms of this agreement or cancel this agreement in its entirety without penalty due to circumstances beyond the University's control, including but not limited to natural disasters (e.g., tornado, earthquake, flood, hurricane, etc.), war, terrorist act, strike, public health outbreak (e.g., pandemic or wide-spread &/or infectious disease outbreak), fire, release of nuclear material or dangerous substance into the environment or other catastrophic event or major disruption of University operations.

   (c) The contract may be cancelled by the University in the event that the resident is criminally convicted by civil authorities. Additionally, SC law (23-3-465) prohibits any individual who is a registered sex offender from living in campus housing at any public institution of higher learning. Any resident who is registered or becomes registered on the sex offender registry will have his/her housing contract immediately terminated. In all such cases above, there will be no refund of prepaid rent.

3. Assignment of the Contract.
The University Housing Contract is personal and may not be transferred or assigned to another person. The space may not be sublet.

4. Assignment of Space.
   (a) University Housing reserves the right to fill all available bed space. Where there is a vacant space, the remaining resident(s) must maintain the area in a manner that would allow another resident to move in immediately and without prior notification. Failure to do so will result in a $100 charge, and the student's rental rate being adjusted to the private room rate for his/her residence hall/apartment.
   
   (b) University Housing reserves the right to require a resident to move to a different campus housing assignment when deemed necessary by housing officials for reasons such as, but not limited to, maintenance or closure of an area, changes in programming, crisis, safety or emergency situations, Student Conduct Code violations or occupancy management needs.
   
   (c) The University reserves the right to assign residents to "Overflow" accommodations including, but not limited to, converted study or utility rooms, student staff rooms, triples or off-
campus accommodations in the event regular spaces are not available.

5. Room Change.
Residents may submit requests for housing assignment changes during designated periods. Students are not permitted to move or trade spaces without administrative approval. A $100 fine will be levied against residents moving out of, into, or within University Housing without having proper authorization. Once a housing change has been approved, the resident must move and abide by all appropriate key policies or a $100 fine will be assessed.

6. Responsibility for Personal Property.
The University does not assume any legal or financial obligation for any resident's personal property that may be lost or damaged in its buildings or on its grounds. Residents or their parents/guardians are encouraged to obtain appropriate insurance to cover such losses. University Housing is not responsible for any item(s) left behind once a room or apartment has been vacated.

7. Responsibility for the Room/Apartment.
(a) The resident is responsible for the condition of the assigned space and shall reimburse the University for all damage to the space and damage to or loss of fixtures, furnishings or properties furnished under the contract.

(b) The resident is responsible for reporting all maintenance issues immediately.

(c) No alterations may be made to the area (including painting) or furnishings provided by the University.

Additional furnishings brought into the room/apartment by the resident(s) must be freestanding and clear of all existing furniture, fixtures and walls.

(e) Each resident is required to complete a Resident Room/Apartment Property Certificate (RPC) online within 24 hours of the receiving the RPC notification via email. Failure to complete an RPC does not waive liability for damages. If an RPC is not completed, the student may be referred to the Office of Community and Ethical Standards for disciplinary action.

(f) When occupancy is terminated, residents must follow proper check-out procedures. A Housing staff member will inspect the area and assess for damages or missing property. Residents vacating housing without following this procedure will be charged $150, plus the cost of replacement or repairs resulting from damages inflicted during occupancy. If cleaning is
necessary, cleaning charges will also be assessed.

(c) Where organizations or programs have exclusive use of an area, such as fraternities and sororities, those organizations are responsible for reimbursing the University for the cost of repairs from damages to communal property if the responsible individual(s) cannot be identified. Where it is determined that organizations or programs are not in support of University Housing regulations, they will lose exclusive use of the area.

For personal safety, ground floor accessible windows should be kept locked at all times and security screens left untouched. The roommate's expectation of privacy, sleep and study take precedence over the privilege of a host to have a guest. A guest is defined as someone who is not assigned to the residential community. privilege of another to create noise. This expectation is in place 24 hours a day, however, specific quiet hours are in effect from 10:00 p.m. until 8:00 a.m. each day. The Residence Hall Council may extend quiet hours with a two-thirds vote of the area residents. Residents are responsible for all policy and procedural information posted on bulletin boards and/or disseminated through University media, including emails and newsletters.
