

# Philo Roku Registration

This guide outlines how to register your Roku, download the Philo Roku app, link your Roku to your Philo account, and begin watching TV with your Roku.

## sign in to your Roku account

To ensure that we can add the Philo channel to your account, sign in at [my.roku.com/signin](http://my.roku.com/signin). You can create a new account here if you do not have one.

## add the Philo channel

Go to <http://owner.roku.com/add/philo> to add the Philo channel to your Roku account. The Philo app may not immediately appear on your Roku device.

## download the Philo Roku app

We will now force your Roku device to download all of the apps you are subscribed to by navigating to **Settings > System > System Update > Check Now** on your Roku device. Please confirm that the Philo app has been downloaded to your Roku device before proceeding.

## link your Philo account to your Roku device

- 1 From a computer, log into your Philo account.
- 2 Go to Settings by clicking the gear icon in the top right corner of your screen.
- 3 At the bottom of the settings tab, click the **Register Roku** button.
- 4 Follow the instructions to add your Roku device via the serial number.

For additional assistance with device registration, contact [support@philo.com](mailto:support@philo.com).
