WELCOME HOME
FAMILY GUIDE TO CLEMSON HOME
Step 1: Prepare
- Set up TigerOne Mobile ID & follow Clemson Home on social media.
- Purchase a parking permit if student plans to keep a car on campus.
- Rent a MicroFridge if a microwave is desired in the student’s room.
- Set Check-In Appointment & print Move-In Packet from the Clemson Home Portal.
- Plan for severe weather & emergencies (clemson.edu/cusafety).

Step 2: Check In
**Fall Regular Move-in & Summer Start**

All residents are limited to two standard vehicles during move-in, so pack light and avoid the use of moving trucks, trailers, or other oversized vehicles.

- Place the Check-In Pass from the Move-In Packet in the dashboard. Please follow all directions.
- Arrive at the P-8 Parking lot at your student’s appointment time to check in.
- Follow the signs in the lot to the first tent. Extra family vehicles will turn into a separate lane while the vehicle with the student proceeds under a check-in tent to have their Check-In pass scanned and their ID activated.
- Both cars will then proceed through the line to the second tent. Two lines will form by the first letter of the student’s last name. After the lines split, extra vehicles will move to the outside lane while the student collects their key & each vehicle receives an unloading pass.
- Hang the pass on the rearview mirror and follow the road signs to your student’s building.

**Early, Late, & Spring Move-in Only**
If your student is arriving outside of the designated Fall move-in dates of August 14th-19th, they will need to check in at their Area Desk. Be sure you contact Parking Services to arrange for unloading parking. Family Parking Lots will not be available.

Step 3: Unloading
- Unload your vehicle as quickly as possible in the unloading zone. All items should be labeled.
- Move your vehicle to a designated parking location as soon as you are unloaded.

Step 4: Parking
**Parent & Family Lots (Move-In Only)**
C1, C2 (All family vehicles must park here)

**Douthit Resident Student lots**
Magenta parking lines in R-7, R-8, R-8 Ext., R-9, R-10

**West Resident Student lots**
White lines in R-3, R-3 ext., Centennial Blvd., Press Road, P-4

**East Resident Student lots**
White lines in R-1, R-1 extension, and R-2.

**Apartment/ Bridge Parking areas**
Magenta lines
Note: R-4 & R-4 Extension magenta lines are reserved for Lightsey Bridge and Bridge apartment parking only

Step 5: Unpack
Once all vehicles have been moved to their designated parking, shuttles will be available to take you back to the residential areas so you may begin unpacking.

Beds can be lofted by two people using only a rubber mallet. Bed rails will be in the room and should not be removed.

Remember to take all trash and recycling to the receptacles outside the building and don’t block hallways or doors as you unpack.

Dining will be open. For more information on dining locations and hours during move-in visit clemson.edu/dining.

On Call Support
There is always an on-call staff in residential areas! Your student will receive more information once they move in.

Student Post Office:
Student Mail Services provides 24-hour access to package and letter mail. In addition, there are Student Package Lockers placed strategically across campus. Your student will receive an email notification when they have mail or packages available for pick up.

Mailing address
Your student’s assigned Box number will be sent to their Clemson email account prior to move-in. Do not ship anything until your student receives their Box assignment. All mail and packages must be sent to this address, not to the building/area desks.

**Resources**

**Maintenance**
For all facility related issues in your student's residence hall, please have your student submit a maintenance request online. This includes broken furniture, A/C & heat issues, pest issues, and broken appliances.

Emergency issues can be reported by calling 864-656-5450 and contacting the on-call residential staff.

Report an issue at clemson.edu/housing/maintenance

**Cleaning**
- Cleanliness in your students space can assist in preventing mold, pest, and insects.
- Hang up damp or wet items, such as towels, bathmats, or clothing to dry.
- Dust and wipe down the space regularly.
- Do not allow mildew to accumulate in the bath and shower stalls.
- Report any mold or mildew in the community bathrooms to the Residential Community Mentor or other available housing staff.

**Climate**
- Keep the windows closed when air conditioning is on.
- Use bathroom exhaust fans and bathmats when available.
- Do not tamper with the HVAC unit.
- Keep fan setting on “auto” in rooms with traditional thermostats.

**Laundry**
Students should be encouraged to keep up with their laundry and never leave it unattended. All residence halls on campus offer no-cost laundry facilities, and the Speed Queen app is available for Android or iOS to keep up with machine status & availability.

**Supporting Independence**
Supporting your Tiger's independence during their time at Clemson is crucial. Encourage them to take responsibility for their experiences, make their own decisions, and learn from their decisions. By providing a safety net of guidance and support while allowing them to navigate campus life on their own, you will help them become resilient and self-reliant individuals prepared for the future.
Help: Support

RCM and RCLs
Residential Community Mentors (RCM) and Leaders (RCL) are continuing student mentors and role models that live with residents in each residential community.

For general questions and concerns, have your student speak to their RCM or RCL.

Community Directors
Community Directors (CDs) and Graduate Community Directors (GCDs) supervise the RCMs and RCLs. If your student has a problem that their RCM/RCL does not know how to solve, their CDs and GCDs can help!

General Inquiries
Our main office can answer general questions regarding University Housing & Dining.

Any requests for action must be submitted in writing, and student information may only be discussed with the student.

# Help: Safety & Access

## Police & Emergencies
Clemson University features dedicated Police, Fire, and EMS services. Visit clemson.edu/CUSafety for more information.

- Contact CU Police at 864-656-2222
- 911 for emergencies

## CU Safe Alerts
Clemson's emergency alert system notifies your student when there are emergencies or safety concerns on campus.

For families to also be notified, students must add their phone numbers into the system.

alerts.clemson.edu

## Campus Sirens
At times, your student may hear sirens with voice messages. These sirens alert people who are outside to potential dangers like lightning, severe weather, & other threats. Oconee Nuclear Station sirens may also sound with notification sent via Safe Alerts. These are tested quarterly.

alerts.clemson.edu

## Rave Guardian
The free Rave Guardian mobile app is available to help keep your student safe on campus. With direct connections to campus safety, family, friends, and others they trust, they can feel safe anytime, knowing their Guardians are watching out for them.

Text "Guardian" to 67283

alerts.clemson.edu

## Keys & Access
Residential spaces are kept secure through TigerOne MobileID and key access. To ensure your student's space stays secure, be sure your student is keeping track of their key and does not allow others to use their ID to gain access to a space.

### If your student loses their key or gets locked out
Ask your student to visit the area desk (Mauldin for East Campus or DesChamps for West). They will give them a temporary key to gain access to their space. Your student will receive an email with the due date and instructions for returning the key. If the key is not returned by the due date, it will be reported as lost or stolen and their lock will be changed to ensure the security of their space. Lock changes will incur a $100 fee.
Contract Cancellations & Changes

Housing & Dining Contracts are legally binding and may only be altered under specific circumstances as laid out in the contract documents.

Room Changes
Room changes can be requested in the Clemson Home Portal prior to move-in through a pre-arrival request or during the semester after the final day to register for classes.

Housing Cancellations
Contracts may be cancelled due to school-related events that prevent living on campus (Study Abroad, graduation, unenrollment, etc.) Have your student submit a School-Related Cancellation in the Forms section of the Clemson Home Portal prior to the semester. Upon withdrawal during the semester, a form is not required, and your student will be notified to move out within 48 hours.

All other cancellation requests must be submitted through the appeals process.

Continuing On-Campus
Clemson Home offers a limited number of on-campus continuing student apartments after your student’s first year. These 1-4 bedroom apartments are offered based on randomly generated priority numbers and are not guaranteed.

Sign-up will occur during a short period at the beginning of the Spring semester and all current residents will receive notification of the process and available options.

clemson.edu/housing/assignments

Continuing Off-Campus
Off-campus housing after your student’s first year is offered by individual properties surrounding Clemson. The apartments feature a variety of layouts and rates with CATbus or private shuttle transportation available at many locations.

These properties are not associated with the University, but an off-campus search site is available to research options, find roommates, and learn about off-campus resources and services.

clemsonoffcampus.com
Your student has abundant opportunities to engage and connect with the vibrant campus life at Clemson University!

During Welcome Week, they can participate in exciting activities like laser tag and glow night to meet their peers and establish social connections.

Encourage them to explore the wide array of student organizations available, with over 500 options on Tiger Quest. They can also attend Tiger Prowl during Welcome Week, where most organizations will be represented, providing a great chance to get involved.

Additionally, fraternity and sorority life offers opportunities for social connections and experiences beyond the classroom, additionally Clemson Home sponsored organizations like the Residence Hall Association (RHA), Community Councils, and EcoReps foster a sense of community and purpose for many of our residents.

Clemson Home and our individual residential communities host a variety of engaging events throughout the year. These events are designed to bring students living on campus together and foster a sense of belonging. From themed social gatherings to workshops and educational programs, there are activities that cater to diverse interests and encourage interaction among residents. Attending these events provides a wonderful opportunity for students to build friendships, create lasting memories, and fully experience life at Clemson.

Encourage your student to embrace these opportunities and become an active member of the Clemson community!

Meal Plans & Dining

Understanding Meal Plans

Meal Plans typically include either unlimited meal swipes or a set number, along with a set amount of Paw Points and guest meals (if unlimited).

Meal swipes can be used at either of our two traditional dining halls to enjoy all-you-care-to-eat dining or at Meal Exchange locations for a single meal. Unlimited plans are limited to one meal per meal period at meal exchange locations, but unlimited visits to the Dining Halls.

Paw Points can be used at any on-campus dining location, including retail dining, P.O.D Markets (convenience stores), and dining halls.

Menus, hours, and nutrition information are available at clemson.edu/dining.

Purchases

Paw Points may be purchased at any time during the semester through the Clemson Home Portal.

Meal Plans may be purchased up to the last 6 weeks of the semester.

Fall meal plan selections will also be added to the Spring unless they are changed prior to the Spring bill becoming available.

Meal swipes expire at the end of each semester, while Paw Points will roll over each semester while you are at Clemson.

Changes

Paw Points are nonrefundable, however, meal plan selections may be altered at any time prior to bills becoming available for the semester.

Each semester there will be a short period in which your student may elect to upgrade or downgrade their meal plan; however, Paw Point values will not be refunded, and your student will pay the full price of the new plan.
